Carolina Coffee and Tea--The Spot for Tea Parties

Tucked away at 402 State Street is a place called *Carolina Coffee and Tea--The Spot for Tea Parties*—a garden of enchantment. *The Spot for Tea Parties* is a place where children of all ages can step into a garden and enjoy dress-up tea parties.

The fun begins when children enter the garden atmosphere and let their imaginations soar. It is truly a place of enchantment! Those precious hours of make-believe are alive when children begin to explore the princess room and select from a variety of princess dresses, tiaras, boas, wands, jewelry, and princess slippers.

A Princess Hostess conducts your party. Fully supervised and chaperoned, parents can relax while the party is taking place by enjoying a cup of tea or coffee while browsing through the many tea and coffee treasures next door at *Carolina Coffee and Tea*.

Your Princess Party is all planned and carried out for you! We provide and mail out the lovely invitations, provide the princess clothes and accessories, the tea fare, age appropriate activities, and favors to make your party a time of enchantment for each child. The birthday girl will be crowned and given a special bell to ring for service. She will even take home her special Princess crown.
